

BECAUSE REACHING YOUR DESTINATION IS
ONLY THE BEGINNING...

On The Scene is Chicago's award-winning Destination Management Company that understands your meetings & events directly reflect your company's mission, image and objectives. As a three-time winner of *Illinois Meetings + Events Magazine* Readers' Choice award for Best DMC, we are dedicated to building lasting relationships with each client.

Since 1969, On The Scene has built a **loyal and trusted** network of clients large and small that rely on our expertise and understanding. Whether you are having a corporate event, product launch, teambuilding activity or any other multi-day program-we promise to create an unforgettable experience for you and your guests. Our experienced staff specializes in seamlessly producing every aspect of your event down to the last detail.

We take the time to **listen, respect and understand** your meeting goals and objectives in order to create a custom event relaying your message.

ON THE SCENE DIFFERENCE

SPECIAL EVENTS

Transforming an event into an unforgettable memory takes creativity, design, coordination and execution to meet your specific goals and budget. For themed decor, specialty linen, lighting and entertainment from the sublime to the extravagant, On The Scene engaging special events promise to be remembered.

As your event producer, On The Scene recognizes that each and every event is a reflection on you and your attendees. From venue selection to specialized event production, our team of event experts will deliver a seamless event solution.

TRANSPORTATION

On The Scene understands that the lasting impression is often the first impression. That is why we take care in contracting only the best in deluxe motor coaches, mini coaches, sedans, limousines, vans, SUVs and specialty vehicles. Properly using signage for ease of information and utilizing the best and most experienced transportation staff in the business is our specialty. All of these services are included in the execution of your airport and shuttle transportation services and are carefully planned with your specific needs in mind.

TOURS AND ACTIVITIES

On The Scene will help you to discover the sights, sounds and experiences Chicago has to offer with our custom tours. We provide a wide range of excursions ranging from architecture tours to shopping extravaganzas to an Iron Chef challenge where guests compete for the best dish. Guests can soar to the top of the Sears Tower on a City Highlights Tour or race in a sailing regatta on Lake Michigan. From land to sky to water, On The Scene has all of your touring needs covered!

Whether it is a high tech scavenger hunt, an interactive wine tasting or a private cooking event, On The Scene's customized group activities are guaranteed to meet your group's goals & objectives. Our fun and interactive activities are designed to provide results, while creating a dynamic environment for sharing among your group.

ADDITIONAL SERVICES

Think you've got it all covered? How about a photographer for your evening event? Or, an audiovisual company for the general session? Turn to On The Scene to handle all your additional support services required for a perfect event. From dynamic entertainers to customized lighting production to registration staff and services, On The Scene is your local resource for all your additional event support needs.

CLIENT ACCOLADES

"As our president said, one of the best decisions we made in preparing for this event was to bring you on board. Thanks for everything."

- Senior Program Officer
McCormick Tribune
Foundation

"I turned to On The Scene as my trusted expert from start to finish for our 100th year anniversary convention. With over 11,000 tour tickets sold, I think we made the right choice!"

-Tour Chairman
Rotary International

"Our program was a GREAT success due to On The Scene. What sets your company apart from the competition is not just your can do attitude, you deliver what you promise."
